# REDUCED PRICE LIST

Supplementing Our Wholesale Catalog of

## GLADIOLI

BULBS and BULBLETS

### AN OPEN LETTER

 LAST fall when we built our big new warehouse we incurred several heavy obligations which are now coming due. In order to meet them we must raise some ready cash quickly. To do so we have gone through our entire catalogue and reduced our prices on every variety. On many varieties we have cut the price as much as 50 per cent.

Compare the prices offered herein with our Wholesale Catalogue and see for yourself the sacrifice which we are making on our Glads.

At these very low prices we are sure our bulbs will not last long. We therefore suggest that after looking over the enclosed prices, you send your order in at once,

Sincerely,

P. VOS & SON.

TERMS OF SALE are the same as those given in our Wholesale Catalogue, with the exception that we now offer

5% DISCOUNT FOR CASH WITH ORDER

Please remember that all our bulbs are healthy, vigorous and guaranteed true to name.

## *The "Vos" Originations*

which are listed on the reverse side, represent years of pains-taking hybridizing by our Mr. Peter Vos. In producing new varieties he has held steadfastly to his motto of "Not how many, but how good."

### *Were His Efforts Worth While?*

If you could read the scores of letters of appreciation which we have received from all who have tried his originations you would ask us as many have already, "Why don't you advertise them more?" However, we believe that in time they will advertise themselves and come into their own.

### *The Loving Cup*

The Loving Cup which we won at the last convention of the American Gladiolus Society as first prize for the best display of Gladioli,—quality and variety considered, was chiefly due to Mr. Vos' beautiful originations which were exhibited there.

If you have seen them you need no introduction to the Vos Originations.

If you have not seen them, try them; you have a real treat in store for you.

We especially recommend the following: Chateau Thierry, Eros, Fair King, Maine, Morning Glory, Ohio, Radium, Washington and Wolverine.

ASK US ALL ABOUT THEM.
